SUMMARY

As a creative and detail-oriented web designer, I excel in using Figma for web design. My programming skills include HTML, CSS, JavaScript, PHP, WordPress, ReactJS, Bootstrap, and TailwindCSS. Having crafted over 30 web designs, logos, and banners for diverse clients, I am passionate about creating visually stunning and user-friendly websites. Eager to join a dynamic and collaborative team, I aim to leverage my expertise in web design to enhance user experiences and drive impactful results.
